

Move from this

...to this!

- New filter housing
- Consistently cleaner system fluid
- No commitment required

Improve your hydraulic and lube fluid cleanliness at no cost to you. Reduce overall operating costs and minimize safety risks.

Switch to a Pall Athalon® Filter Housing

Take advantage of this opportunity to replace any existing non-Pall oil filter housing in use at your site with a new Pall Athalon filter housing.

There is no cost to you and no long-term commitment required!

Installation and servicing is quick and simple across a wide range of lube and hydraulic applications.

- Easy cover service design
- Beta > 2000 filter performance
- Long service life
- Commonality of spares

Contact your Pall sales representative to take advantage of this FREE LIMITED TIME-OFFER, or to learn more, or visit www.pall.com/athalon

The filter replacement offer is open to selected customers through December 31, 2018. Terms and conditions apply.
